Practice makes
pretty!
Changing the
angle changes
the look!
hello goodbye

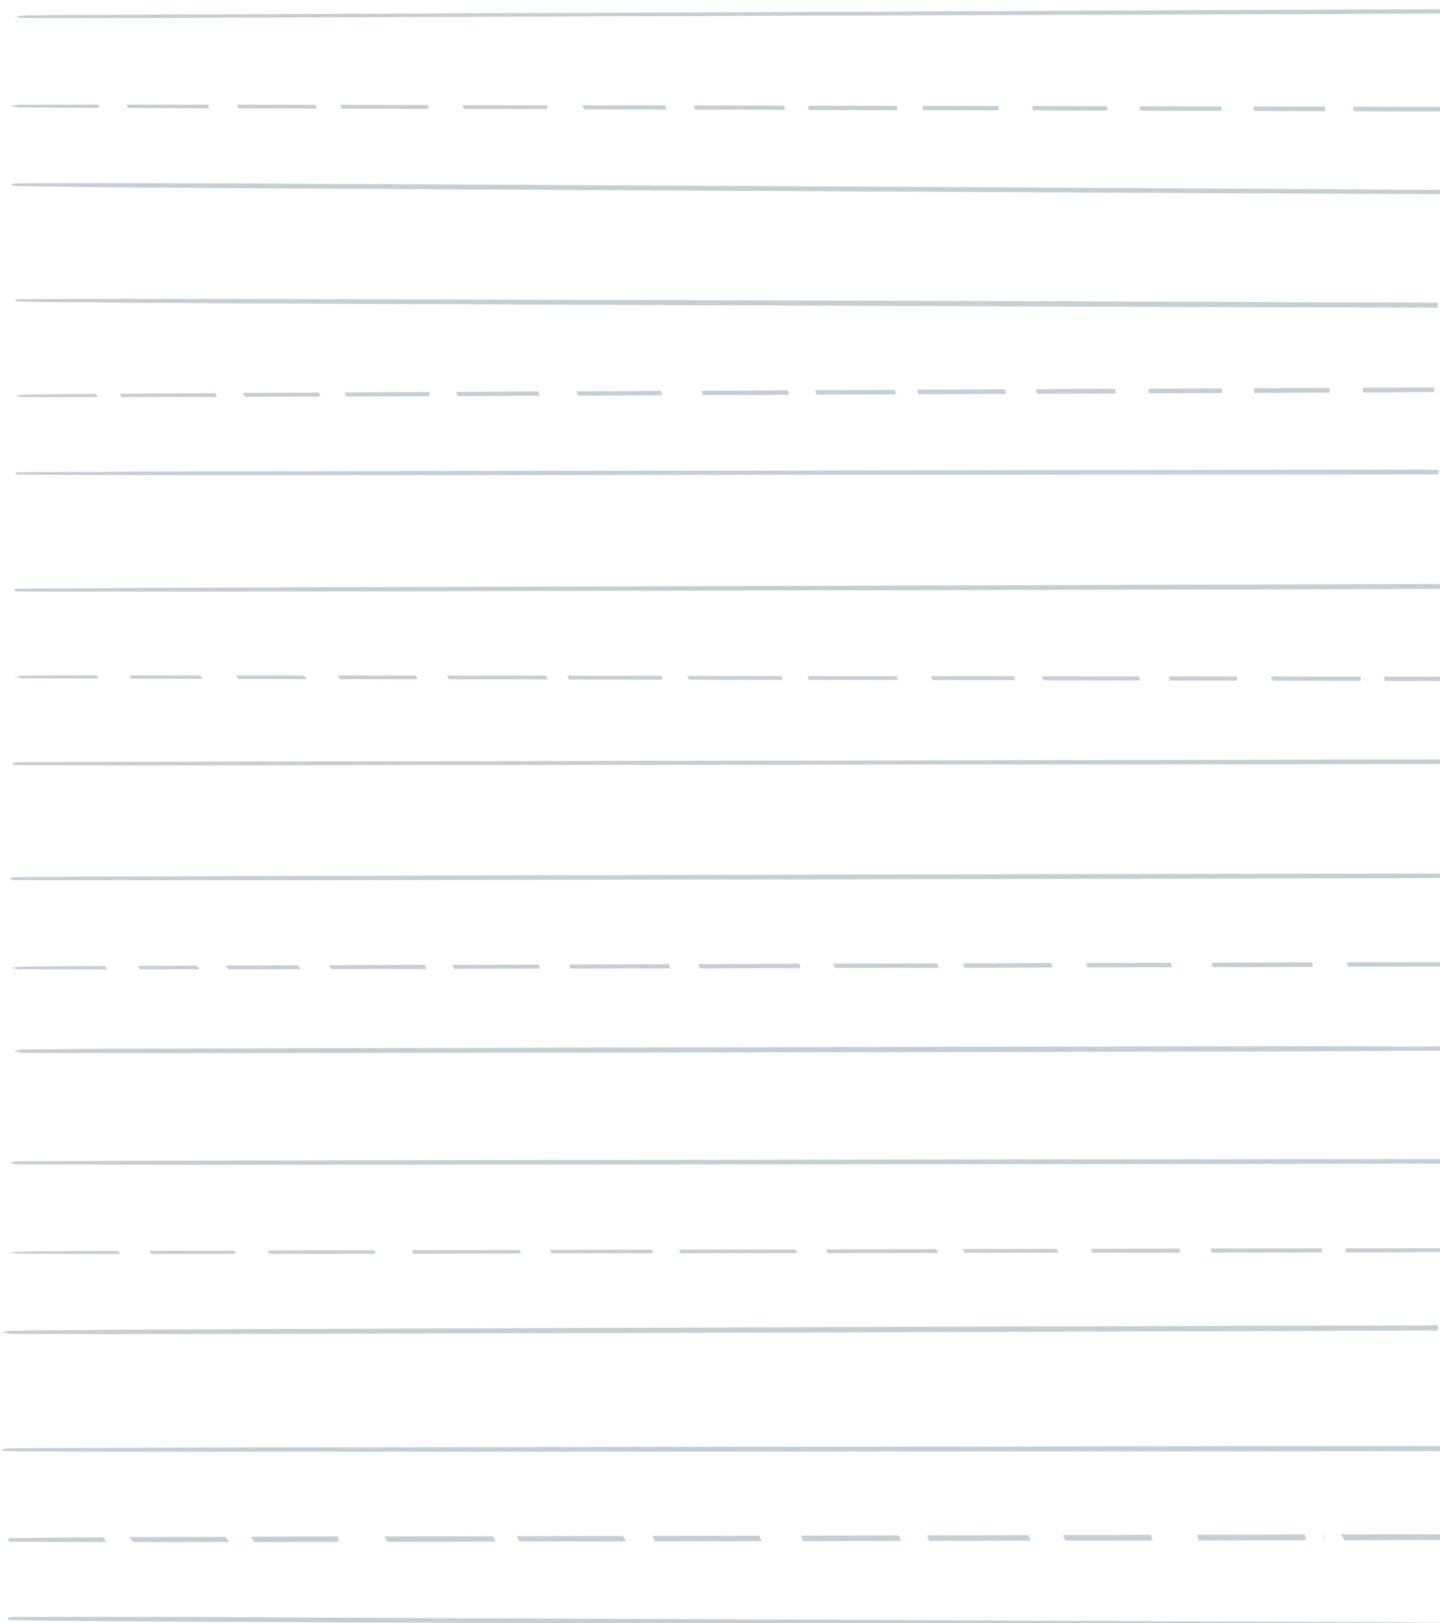

Plain is pretty too
Fancy can be
over the top
You'll develop
your own
unique style

This image shows a handwriting practice sheet. It contains ten sets of horizontal lines designed to help with letter formation. Each set consists of three lines: a solid top line, a dashed middle line, and a solid bottom line. These lines are repeated down the page to provide ample space for practicing letter height and placement.
